games with no finish line like business or politics or life itself have players who e and go the rules of an infinite game are changeable while infinite games have no defined endpoint'

**'finite and infinite games by james p carse
June 3rd, 2020 - finite and infinite games
1986 offers two contrasting viewpoints on
how to live your life whether you re
engaging in sexual relationships or
warfare carse argues that any activity can
be seen as either a finite or an infinite
game the former being end oriented and
the latter leading to infinite possibilities
he reveals how the world appears through
the eyes of those who play with the''finite
and infinite games student athletes life
design lab**

**May 28th, 2020 - in sports an infinite mindset
does not preclude winning indeed as carse
notes finite games can be played within an
infinite game but an infinite game cannot be
played within a finite game infinite players
regard their wins and losses in whatever
finite games they play as but moments in
continuing play 7 sportsview amp myself'**
