May 22nd, 2020 - infinite wonder an astronaut s photographs from a year in space by scott kelly from the record breaking astronaut national hero and best selling author of *endurance a breathtaking collection of photos documenting his journey on the international space station* the vastness of space and the unparalleled beauty of our own home planet"*infinite wonder an astronaut s photographs from a year in*

April 23rd, 2020 - one's perspective shifts when one lives for an entire year as Mander Scott Kelly and no other American astronaut in history has in the isolating grueling and utterly unforgiving vacuum of space. Kelly's photos prove that this perspective from 250 miles above Earth while hard won is also almost unspeakably beautiful.
