***forensic science a very short introduction by  
jim fraser***

May 9th, 2020 - this book is infact very very  
short introduction to uk forensic science i  
notably liked the dna fingerprint and drugs  
chapter trace evidence was ok nothing for  
cyber crime was a big disappointment fact  
liked eureka or case solving moment perhaps  
five or six times in a long career this might  
occur' '***forensic psychology a very short  
introduction***

May 24th, 2020 - lie detection offender  
profiling jury selection insanity in the law  
predicting the risk of re offending the minds  
of serial killers and many other topics that  
fill news and fiction are all aspects of the  
rapidly developing area of scientific  
psychology broadly known as forensic  
psychology'
