**global warming how skepticism became  
denial spencer**

**May 14th, 2020 - is the science community  
hopelessly corrupt that is the  
conclusion many would draw from a  
letter that senior physicist harold  
lewis 2010 sent last october to the  
american physical society he accused**

---

the society of promoting a  
pseudoscientific fraud namely the  
global warming scam with the literally  
trillions of dollars driving it that  
has corrupted so many scientists'

'environment global warming antartic  
May 29th, 2020 - revised again in 1917  
the british claim to the falkland  
islands dependencies fid extended the  
south atlantic empire southwards  
following the annexation of the  
falkland islands in the 1830s spurred  
on by whaling and further acts of  
discovery and exploration the british  
established a series of legal  
political and scientific mechanisms  
and procedures designed to consolidate  
imperial control''customer reviews the
