---

'rembrandt top 10 best books on his life and work the  
June 4th, 2020 - rembrandt gleaned inspiration from his direct study of nature  
exalting the humble the mundane and even the ugly particularly in his self  
portraits and works based on his everyday surroundings his intimate pictures  
of figures from history often portrayed in austere or introspective attitudes are  
created with extraordinary sensitivity'
