May 17th, 2020 - the long descent examines the basis of
such fear through three core themes industrial society is
following the same well worn path that has led other
civilizations into decline a path involving a much slower and
more plex transformation than the sudden catastrophes
imagined by so many social critics today'**the long descent
a user s guide to the end of the**

May 1st, 2020 - the long descent traces out the ragged
course of decline that has brought every previous
civilization to its end and is doing the same with ours it
takes the average civilization one to three hundred years to
descend from its peak into a dark age out of which new
civilizations will be born and that same process is visibly
under way in our own lives"**descent manual pdf dj
