*May 8th, 2020 - recap goosebumps say cheese and die in the 19th century photographers would tell their subjects to say prunes since the whole point of saying cheese during a photo is that it forces your face into an approximation of a natural smile this might seem odd to you"***say cheese**

May 21st, 2020 - say cheese is an english language instruction used by photographers who want their subject or subjects to smile by saying cheese most people form

their mouths into what appears to be a smile like shape
history in the late 19th century different aesthetic and
behavioral norms required keeping the mouth small which
led to photographers using say prunes'
