'review bravely second end layer nintendo 3ds

May 13th, 2020 - review bravely second end layer nintendo 3ds review by matt s when square enix released bravely default in 2013 people lauded it as a glorious throwback to the classic square enix of old where rich turn based bat a job system straight out of final fantasy v and old school random encounters met with an ultra traditional tale of four heroes of light crystals and saving the world"bravely second end layer
