April 28th, 2020 - parents  
need to know that like the  
rest of the beyonders series  
the publisher is marketing  
chasing the prophecy to ages 8

are a better fit for this  
fantasy trilogy the author  
delves deep into his  
characters motivations and  
includes lots of detail about  
the world he creates so it s  
meant for patient more  
seasoned readers not those new
