Oracle Java ME Embedded and Raspberry Pi Model B can
work together to create some interesting types of
applications' 'Oracle Updates Java Embedded Stack
eWEEK

September 25th, 2012 - Oracle has announced new
technology supporting embedded Java development
including Oracle Java ME Embedded 3.2 a complete
client Java runtime optimized for microcontrollers
and other resource constrained devices and Oracle
Java Embedded Suite 7.0 a new toolset for building
apps for embedded systems and devices'

'Oracle hitches Java to Internet of things InfoWorld

July 22nd, 2013 - Oracle also is looking to provide
partners with the ability to customize Java ME
embedded products for different device types and
market segments with its Oracle Java Platform
Integrator program which provides support patches
and updates Downloads of Oracle s embedded Java
technologies are available at Oracle s website'

'Oracle Java ME Embedded 8.1 Developer Preview

Introduction

December 8th, 2019 - Oracle Java ME Embedded 8 ?
Purpose ? built embedded application platform ? Dozens
of enhanced new features and value ? added APIs ?
Major step in Java ME ? get SE alignment strict
extended subset of Java SE 8 ? Multiple footprint
configurations down to as low as 128 KB RAM ?
Connectivity supports a wide range of interfaces'

'Oracle's Strategy for Mobile and Embedded Java
December 23rd, 2019 - ? Converge CDC and Java SE
Embedded Full coverage of embedded vertical markets
? Java Platform covering all CPU Footprint variants
? Dedicated APIs for vertical market segments Deep
integration of content and services ? Services
embedded into Oracle runtimes and tools ? Developer
consumer access to carrier services Java ME ?
Moving'

'Configuring the Raspberry Pi as an Oracle Java ME
Embedded
November 27th, 2019 - Configuring the Raspberry Pi
as an Oracle Java ME Embedded Development Platform
Intelligent devices are becoming an ever more
important and ubiquitous part of our everyday lives
Mobile phones represented the first wave of smaller
personal computers And now as the price of

electronics and processing power continues to fall
Java Java'

'Oracle unveils Java ME for Internets of Things
Embedded com

August 27th, 2013 - Oracle Corp has finally shifted
its single minded focus on providing software and
hardware for enterprise servers mainframes and
personal computers and over to mobile devices and
the Internet of Things At Java One in Shanghai the
company ? which acquired Java language creator Sun
Microsystems'

*'Oracle Updates Roadmap for Next Generation Java ME
Platform*

*September 23rd, 2013 - Oracle Java ME Embedded 8
will be the Oracle implementation of the Java ME 8
standard Oracle Java ME Embedded 8 Early Access is
now available as a binary runtime for Raspberry Pi
Model B ARM11 and ST Microelectronics
STM32F4DISCOVERY ARM Cortex M4'*

'Embedded Java Wikipedia

December 12th, 2019 - form the CORE Embedded Java
API which means that embedded programmers using the
Java language can use them in order to make any
worthwhile use of the Java language Old distinctions
between SE embedded API and ME embedded API from
ORACLE Java SE embedded is based on desktop Java

Platform Standard Edition'

'Oracle Massive Open Online Course Develop Java Embedded
